### **Administrative Matters**

The EAB approved the January minutes. The EAB met applicants to serve on the EAB and learned more about the applicants' interests in serving and shared information about EAB activities and interests.

### **Joint Review**

The EAB participated in the Joint Review for the Inara Court project and a revisit of concept plan for the Claremont South PUD business parcel.

### **Development Review Comments**

The EAB developed review comments for the Inara Court project. Comments included: an endorsement of this type of infill development; a recommended landscaping condition regarding approval process for plantings along the bicycle/ pedestrian path and choice of species for plantings; a recommended condition including specific requirements for sourcing of construction materials; and a recommended condition to achieve a green building metric. For the concept plan revisit for the Claremont South PUD business parcel, the EAB did not develop any new comments, and did note that the previous comments submitted still apply.

### **Adjourn**

The meeting was adjourned at 9:26 pm. The next meeting is scheduled for 3/2/2017.
