33. Open Eye Café: Fortunately both retail locations have a good amount of space to remain social/spatial distanced (although Café Driade does require dry weather). We are considering next steps of limiting hours, transferring to take-out only, and including curbside pickup, to stay operational and safe, and allow our employees gainful employment security. Info & updates will be shared on our social media channels and website, as well as onsite. <https://shopcarrborocoffee.com/> .
34. Panciuto: We've decided to close Panciuto for 14 days beginning March 16th. As we suspend operations, we will sadly not be making food purchases from our friends and neighbors. One way to support your favorite restaurants, including Panciuto, is to consider purchasing a gift certificate. It serves as a cash injection during this challenging time when there is little to no revenue coming in. (919-732-6261). <http://www.panciuto.com/>
35. Perennial Café Chapel Hill: Perennial is a place of community, connection, and service. While we wish we could continue to foster this in a time of crisis, it is untenable for our business. Stay tuned for updates on when we can happily reopen and rejoice in the company of others. Stay healthy and let's flatten this curve.
