## 2. PHILOSOPHY

It is the philosophy of the Carrboro Recreation and Parks Department that recreation should encompass social, physical and emotional benefits for our community's diverse population. There should be a variety of arts, athletic, and social programs, as well as events and services that encourage health, relaxation, enjoyment, cultural enrichment and learning opportunities for community involvement.

## 3. DEPARTMENT MISSION STATEMENT

To enrich the leisure needs and quality of life for citizens by providing accessible facilities, creative and diverse recreation opportunities and a safe public park system.

## 4. REGISTRATION

Youth Basketball registration is accepted on an individual basis. All participants must register for each season/program. Anyone may register male or female, to participate in the four various leagues. Participants are registered into a particular league based upon their playing age. \* If requested prior to team placements, a participant may "play up". For a participant to "play up" he/she must be in the final year of their appropriate league. The request to "play up" must be made in writing and directed to the Athletic Division. No player may participate on two teams within the youth basketball program.

### League

**6 - 8 years old**

**9 - 10 years old**

**11 - 12 years old**

**13 - 15 years old**

\*\* Ages based upon August 31, 2020 cut-off date.

### **\*\* Special Request for team selection \*\***

**When a registration form is completed for a program, any special request must be written on the form or expressed to staff in order for that information to be passed along to the volunteer coaches during the player evaluation and draft phase of team formation. SPECIAL REQUESTS ARE NOT GUARANTEED. It is not mandatory for coaches to fulfill these requests; however they are encouraged to draft with them in mind.**

## 5. REFUND POLICY

If someone wants to cancel their registration before the season starts, they must notify the Carrboro Recreation and Parks Department in writing to be considered for a refund.

## 6. TEAM PLACEMENTS

The Recreation Department will designate times for team placements. Team Placement is a process used for the formation of teams in our youth athletic programs. The goal of team placements is to create a balance among all the teams in a specific league and to maintain interest among all participants by providing the fairest level of competition possible. Players who are new to a league, moving up in age group, or wish to be re-drafted, must attend at least one team placement time.

At team placements, the Recreation Department staff conducts a "mini Basketball clinic." Each participant performs specific drills to allow each coach in their league an opportunity to evaluate talent.

After all team placements, the coaches' meet to draft the teams. The following is the format of how the draft is conducted:

### II. Pre Draft Status

Registered participants are classified into three categories.

- Returning to an existing team
- Pre-assigned participant
- New or unassigned participants

a. **Returning** – these players are eligible to return to the same team played on last season.

#### **Exceptions:**

1. If a father / mother become the head coach of another team, the player has the option to switch to his / her parent's team. The team releasing the player would obtain the other team's second round pick in the draft.
2. If a player's parents request for the player to re-enter team placements instead of returning to the same team.
3. If the numbers of participants decrease in a specific age group to a point that the number of teams must be reduced, those players who would have returned to a now disbanded team must attend team placements.

b. **Pre-Assigned**: The Recreation and Parks Department has the discretion to place any player on a team prior to team placements for the following reasons:

- Brothers or/and sisters on the same team
- Parent becomes the HEAD coach
- Two or more players live in the same household
- Hardship or unusual circumstance approved through the Recreation and Parks Department

c. **Unassigned/New Participants**

- New players to the program or league
- Players not returning to a disbanded team

Players electing to attend team placements instead of returning to the same team.

### III. Draft Information:

The draft is established by the number of players listed on each team roster (Returning and Pre-Assigned).

The teams with the least number of players on their rosters (Returning and Pre-Assigned) will draft ahead of those teams with the more.

When teams have the same number of players on their roster, the order of the draft will depend on the previous year's records. If a team is an expansion they will draft first, regardless of record, since they have no previous record.

### IV. Draft Participants: The participants in the draft will be:

- a. Head Coach
- b. Assistant Coach (s)\*
- c. Designated Staff Personnel

#### *\*Note*

- a. Parents of players participating in the team placement process are requested not to attend the draft.
- b. Parents of players attending team placements may not be recruited as an assistant coach prior to the draft.
- c. Youth participants are not eligible to "sit in" on the draft.

### V. The Draft

- The first two rounds each team will have one draft selection per round.
- The order will be according to roster size and last year's record. \* Expansion teams would draft ahead of established teams from the previous season.
- Third round and later, the team with the least number of players will draft until it reaches the team with the next fewest.
- This process will continue until all the youth attending team placements are drafted onto teams.
- If after the last complete round of the draft there exist an insufficient number of players (undrafted) for another complete round to be conducted, these players will be selected in order determined by random draw.
- The number of players on any team returning, pre-assigned, or drafted cannot exceed 6 of any specific age.

\*Exception: If the remaining participants to be drafted are only of one age, then the above rule no longer is applied.

### VI. Post Draft Placements

- a. Any player failing to show up for team placements will be placed on a team at the Department's discretion.
- b. Late Registrants  
Players signing up after the draft will be placed on teams by the Recreation Department.

\*Consideration for POST DRAFT PLACEMENTS will be based on openings that exist or are created on team rosters.

\*Players are added from a generated waiting list.

Questions concerning the Team Placement Process should be directed to the Recreation Supervisor at 919-918-7364.

## **7. BASKETBALL COACHES**

**ALL coaches are volunteers!** Anyone interested in coaching must submit an application to the Recreation and Parks Department. No team is guaranteed to a coach each season. The application is reviewed by the Recreation Supervisor with a decision being made for each coach based on coaching and/or playing experience. The coach must also be in good standing with the Department – (i.e. has not violated departmental conduct rules or been difficult to work with in previous seasons). Once being assigned to coach, he/she is asked to attend various coaching training clinics. The clinical training is completed prior to working with your child on the court. Questions in reference to coaching should be directed to the Carrboro Recreation and Parks Office at 919-918-7364.

Decisions to cancel practices or games by the Department are based on road conditions, not forecasts.

## **10. CONDUCT/SPORTSMANSHIP**

Providing a youth athletic program with a display of good sportsmanship from all involved (coaches, participants, and parents) is a goal of the Recreation Department. Competition can be a healthy part of any athletic program, but the degree of competition and emphasis must be kept in proper perspective. Disagreements or complaints should be expressed through the proper channels and handled appropriately by all involved (parent, coach, and staff).

Control of the playing setting is necessary to maintain and ensure that the youth participants are exposed to an atmosphere positive for recreational athletics. Parents, coaches, and players should keep in mind that the program is designed for a recreational setting where the priority is not wins and losses. Coaches and parents should provide reinforcement to all players and show support for one another. Our coaches will be instructed to inform parents and players not to make negative comments toward opposing players and coaches.

The Department has an established Code of Conduct governing action against violators of our Recreation Programs. All participants (players, coaches, and spectators) are subject to disciplinary action for any violation of these rules:

The Carrboro Recreation and Parks Department provides each team the equipment necessary for all practices and games (balls, etc.) No participant should bring a basketball to any practice or game. This will prevent distractions during practice as well as the possibility of the ball being misplaced.
