

# SNOWY FOAM PAINT

Looks like real snow and dries to a plastic foam like finish.

## Materials:

- 1 cup White School Glue
- 1 cup White Shaving Cream

## Instructions:

Mix shaving cream and glue together in a small bowl.

Let the mixture set for 2 minutes.

Use a brush to paint with Snowy Foam Paint.

## **Tips:**

Add a few drops of food coloring and create colorful pictures.

Dip foam balls into snowy foam paint to create snowmen and other snow like sculptures.
